**January COSMIC SEARCH now a
COLLECTOR'S ITEM**

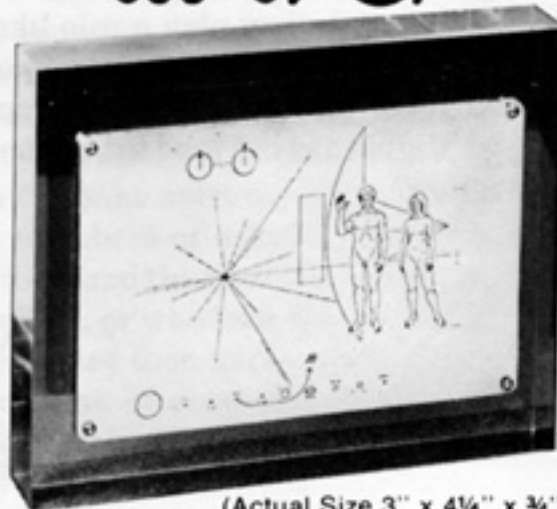

The premier, January 1979, issue of **COSMIC SEARCH** is already a collector's item. Commemorating Cocconi and Morrison's classic article on "Searching for Interstellar Communications" and with articles by Berendzen, Burnell, Clarke, Cousins, Drake, Morrison and Sullivan and an interview with von Hoerner, this issue is one you will want.

Still available, while they last, at \$2.50 a copy in U.S. and possessions (\$3 elsewhere).

Order from **COSMIC SEARCH**, Box 293, Delaware, OH 43015.

in 1987

(Actual Size 3" x 4 1/4" x 3/4")

Pioneer X will pass Pluto's orbit and leave the solar system. In case the capsule is intercepted by extraterrestrial beings, there is a plaque carrying an ingeniously designed coded message indicating its origin.

This plaque has been reproduced in solid brass with the message engraved on one side, the decoding engraved on the opposite side.

The plaque is also available in a solid brass buckle & T Shirts. Please specify size.

"T" Shirt	\$ 6.50
Belt Buckle	\$14.92
Buckle with antique brown belt	\$21.92
Brass & Plexiglass Plaque	\$24.92

New Jersey residents add 5% sales tax.

THE UNIVERSE OF AMATEUR RADIO.

An adroit little group of earthlings known as Radio Amateurs have been bouncing signals around Planet Earth and Beyond for over half a century. A lot of these sleepers tune-in to the Ham Radio Publishing Group as the most versatile Amateur Radio information force this side of Proxima.

If you have an interest in penetrating the ionosphere, leaping into outer space with VHF-UHF-EHF frequencies, satellite communication technology, or radio astronomy, you'll want to join this little band of wave walkers.

HAM RADIO HORIZONS

This colorful, easy and fun to read monthly magazine will help you, the beginner, understand Amateur Radio's many facets — antennas, basic theory, simple construction projects, cloning techniques, slow-scan TV, mobile radio, OSCAR & satellite communications, Radio Astronomy, P.S.25 much more!

HORIZONS makes technology fun so you can have a good time on the air, transmitting signals around the world. Our May 1977 issue was devoted to radio astronomy and it's a great way for you to get acquainted with Ham Radio HORIZONS. If you choose to subscribe now however, there's a special offer for you Cosmic Searchers. You can get a full year of HORIZONS for just \$8.97* Now's the time for you to subscribe.

*Offer good on new subscribers only (Regularly \$12.00)

HAM RADIO MAGAZINE

This is the world's leading independent technical journal of Amateur Radio. It offers you a lot of information to help you get into the art of the art in communication and technology. Thousands of Amateur's look to HAM RADIO when they want and need the best. Subscribe to Ham Radio Now. You'll be glad you did.
