How You Can Help

Although **COSMIC SEARCH** has over 3000 subscribers in over 50 countries, its largest circulation is via stores and newsstands. However, this distribution is spotty.

If there is a store or outlet in your area that you think should sell **COSMIC SEARCH**, show the manager your copy. Advise the manager that **COSMIC SEARCH** can be supplied on consignment at \$1 off the cover price (40 percent discount). Consignment means the store pays only for copies sold. We also pay the shipping charges. If the manager is interested, then please write to:

Sylvia Raub, Business Manager
COSMIC SEARCH Magazine
P.O. Box 293
Delaware, Ohio 43015

giving the following information:

Name of store
Name of manager
Full address and telephone number
Number of copies desired

Sylvia Raub will take it from there.

We need more outlets not only in the U.S. but world wide. Your help will be greatly appreciated.

We Need Your Help

Many **COSMIC SEARCH** readers are in places where they learn first-hand about interesting things happening in SETI. While we make every effort to keep abreast of what is happening, we can't be everywhere. Please help us keep readers informed of the latest SETI happenings. If you hear about a relevant research project or conference, let us know. If you see an interesting magazine or newspaper article, please send us a copy (with name and date of publication). Don't be concerned if you don't know all the details—we will try to follow up appropriately. We will give credit in print for each item of information that we use.
